

Direction/Parking notes to Orchard Lake St. Mary's and Battle Registration
3535 Indian Trail, Orchard Lake, MI 48324

Obviously, if you have internet access you can Google the directions. **But here are a few notes.**

- See Entrance above.
- **Battle car parking is at the Commerce Road entrance.** So when the Map says to turn at Indian Trail from Orchard Lake Rd going North, do so , but **DO NOT enter on the Indian Trail entrance** (Speed Bumps) but continue on Indian Trail a few blocks till it runs into Commerce then make a right hand turn to the Commerce Road and continue 2 block . OR continue on Orchard Lake until it hit Commerce and turn Left onto Commerce.
- **We will guide you to the field around any Speed bumps.**
- Take Long Lake from the I-75 and 15 mile area (see map options on Web Page)
- When coming from the Dearborn area avoid taking Orchard Lake up all the way as Google suggests. Use Middlebelt (less bumpy and less traffic) to Long Lake then West over to Orchard Lake.
